Promoting Parks and Recreation Since 1953

The Kentucky Recreation and Park Society, a 501c3 organization, will host its annual conference November 15th-19th, 2010. Our mission is to further the growth and development of recreation and park services in Kentucky.

The 2010 conference will be held in Cadiz, KY at Lake Barkley State Resort Park. Our theme is *"Be an Outsider...with KRPS"*. As part of the conference each year we sponsor a silent auction as a fund raiser for the society. This fundraiser helps with funding our scholarship program for Parks & Recreation and Environmental Education students.

On behalf of the Silent Auction Committee, we are asking for your help. It is our goal to be able to offer a variety of items and as many Kentucky items as possible at the auction. Donors will be recognized in promotional materials before, during and following the conference.

All proceeds from this fundraiser goes to the continuing education of our professionals and students in the field of parks and recreation. If you have any questions or would like to learn more about our organization, feel free to call, email ([Paige Fraley at \(502\)429-7270](mailto:Paige.Fraley@ky.gov) or Vanessa.fraley@ky.gov) or visit the website at www.kyrec.org.

Sincerely,

V. Paige Fraley,
Committee Chairperson

Chuck Haddaway,
KRPS Executive Director
